TAMIL NEW YEAR CHITHIRAI PUTHANDU

Tamil New Year's Day, also known as Puthandu, is a significant cultural event celebrated by Tamilians worldwide. It falls on the first day of the Tamil month of Chithirai, which usually falls on April 14th, according to the Gregorian calendar. Tamil New Year's Day is an auspicious occasion, and people celebrate it with great enthusiasm and joy. The celebration of Tamil New Year's Day is rooted in Tamil culture and tradition, and it has been celebrated for thousands of years. The Tamil people believe that the way they celebrate the New Year's Day sets the tone for the rest of the year. Therefore, they take extra care to ensure that the day is celebrated with utmost sincerity and devotion. On

Tamil New Year's Day, people wake up early in the morning, take a bath, and visit the temple to offer their prayers. They also decorate their homes with beautiful kolams (rangoli) and colorful flowers to welcome the New Year. People wear new clothes, and families get together to share a traditional feast, which includes special dishes like payasam, vadai, and mango pachadi. One of the significant rituals of Tamil New Year's Day is the "Kanni" or the "first sight." It is believed that the first thing a person sees on this day will set the tone for the rest of the year. Therefore, people arrange a tray with items such as betel leaves, flowers, fruits, gold, silver, and other auspicious items, which is then seen first thing in the morning. In addition to the traditional customs, Tamil New Year's Day is also a time for cultural festivities. The day is marked by music, dance, and cultural performances, where people come together to celebrate their culture and heritage. Many temples and community organizations organize special events to mark the occasion. Overall, Tamil New Year's Day is a time for renewal, reflection, and celebration. It is a day to look back on the past year and set new goals for the upcoming year. The festival is a testament to the Tamil culture's rich traditions and heritage, and it brings people together in joy and celebration.

SRI THATHEESWARAR TEMPLE

This temple is located in a place called Chithukadu near Chennai. The main god and goddesses of this temple are lord Shiva and goddess Poonguzhali. This temple is believed to resolve marriage obstacles by doing special abhishekas to the lord. Address: Sri Thatheeswarar Temple, (Chithukadu), South Mada Street, 1/144, Thirumanam Village, Via Pattabhiram, Vayalanallur Post, Chennai -72. Ph: 94445 62335, 94447 93942. Sitharkadu or chithukadu is located around 8 km from Poonamallee. The Vidhana of the Rajagopuram is exquisite with a beautiful panel of Various Roopas of Lord Shiva. The Nandi in front of the temple does not have a noose

around its nostrils. Chithukadu had been(and continues to be) a land of Siddhars. Out of the several Siddhars who dwell here, the two notable saints (or atleast I must say those who have been identified) are "Padukkai Jadamudi Siddhar" and " Prana Deepika Siddhar". Since the Nandi was in the company of these saints, it was serene and calm and hence there was no need for a noose, says Kumaran. An image of Prana Deepika Siddhar can be found on the pillar next to the Nandi here. The Padukkai Jadamudi Siddhar and Prana Deepika Siddhar while meditating in this region installed a Shiva lingam under an Amla Tree because of which he came to be known as Dhathriswara. They created a beautiful garden here which gave sweet smelling flowers for the worship of the Lord because of which this place came to be known as "Thirumanam" - Holy Fragrance. The Nandavanam probably created by them, is like this today. Prana Deepika Siddhar is said to protect people from life threatening ailments and several people with chronic ailments are said to have prayed to him and become better. The Padukkai Jadamudi Sithar can be seen with very long hair on which he is said to lie down in Yoga Nitra and move around saving people and protecting lives then and now. It was interesting to note that the pillars had the Dasavatharams of Vishnu inscribed on them, which again goes to prove the Shaivaite - Vaishnavaita harmony in those days. There were also some pillars where the Rishabaruda was found at the bottom of the pillars and Siddhars above it. The book Sivamayam Kanda Siddhargal which mentions that this place was also an abode of Bodo Siddhar whose Jeevasamadhi can be found here and he is supposedly the father of "Modern Computer Science"!! By worshipping him, one could be rid of any discomfort experienced due to Ashtama Sani, Ezharai Sani or Jenma Sani. We tried to identify this siddhar but could not do so. Anyone who has any further information about this siddhar, may share it here for benefit of all of us. Sundararaja Perumal temple which is behind the Dhathriswara Temple, connected by the temple tank. There is an Anjaneya Swamy temple near the steps of the tank. Both the temples are believed to have been constructed during the times of King Sundara Pandiyan about 800 years ago. The King is said to have found the Goddess Prasunna Kundalambikai's statue in the Nandavanam (Garden) and so he installed it in the Dhathriswara Temple calling her "Poonkuzhali". As the King died in war before the temple construction could be completed, the work is believed to have been completed by a landlord Mr. Nalla Chinnathambi Mudaliyar from this village whose generations till date serve as Dharmakarthas of this temple (Source: Thalavaralaru of the temple)

Love and Astrology: A Cosmic Connection

Astrology has been guiding people for centuries, helping them understand everything from career paths to their deepest desires. The stars hold valuable clues about your relationship patterns, the type of partner you're most compatible with, and the best way to nurture love in your life.

1. Understanding Your Sun, Moon, and Rising Signs

The Sun sign is what most people in the West know (based on their birth date as per Gregorian calendar). In India people are aware of their moon sign (called Rasi) and their nakshatra as we have a system of doing Archana through sankalp where the rasi and nakshatra are narrated. Your Moon sign reveals your emotional nature and how you express love.

The Rising sign (or lagna) is your outward personality, including how you approach relationships.

2. Venus: The Planet of Love and Relationships

In astrology, Venus rules love, beauty, romance, and attraction. It's often called the "planet of love" because it governs how we give and receive affection.

3. Mars: The Planet of Passion and Sexuality

Mars represents your passion, desires, and the way you take action in love. It rules your approach to physical attraction and how you express your sensuality.

4. The 7th House: Your Marriage House

In astrology, the 7th house governs marriage, partnerships, and committed relationships. It reveals what you are looking for in a partner and what qualities will help you build a successful relationship.

5. The Importance of Timing: When to Meet Your Soulmate

Astrology doesn't just help you understand your relationship dynamics; it can also guide you in finding the right time to meet someone special. If you're interested to know what type of partner you will get, when your marriage is likely etc, consult with us. A comprehensive "marriage notes" specific to you is available for a nominal fee.
